## DID YOU KNOW?

 The Manitoba Schizophrenia Society provides free programs and services to help adults and children with lived experience of schizophrenia, psychosis and other mental conditions.

 The cost of mental illness in Canada is about \$51 billion yearly. \$10 billion comes from workplace losses.

 Mental health problems are the leading cause of short-and long-term disability in Canada.

## SURVIVAL TIPS

 Walk Marshalls will be with you on the walk. They are in Bright Traffic Safety Vests. Their names are Katherine, Meghan, Alexander, Barry, Aya, Dave, Rebecca, Geoff, Kathleen, Manar, Amid and Fatima. Keep an eye on them and you won't be led astray!

 If you need assistance, look for our Staff or Volunteers wearing the white name tags.

 If you are a senior citizen, pregnant or a mother with kids and need help collecting your food, our volunteers would be glad to help you.

 Washrooms are located inside The Forks Market building. Don't be shy to ask for directions!

 Free water, coffee, tea and popcorn are available, while supplies last, at our table near the Smoke'n Bob's Trailer, just ask a volunteer if you need assistance.

If you can't fly, then **run**.  
If you can't run, then **walk**.  
If you can't walk, then **crawl**,  
but by all means, **keep moving**.
